

OFFICERS' MESS
15th FIELD ARTILLERY REGT.
ROYAL REGIMENT OF CANADIAN ARTILLERY

NEWSLETTER - 01 JAN 90

To all Members

With the new decade of the 90's now underway, we would like to invite all Members to establish the 15th Field OFFICERS' MESS as the unequalled premier mess in the Lower Mainland. We will be having our Annual General Mess Meeting late next Month or early in March, and we would like you to attend with your recommendations, suggestions and observations.

Wednesday Luncheon

Our usual Wednesday lunch is again underway, and all Members and their guests are invited to take this mid-week opportunity to associate with us. 1145 hrs to 1400 hrs.

Ladies Dinning-In

As stated in our December Newsletter, the date set for the Ladies Dinning-In is the 10th of Feb., 1990. This will be at our mess with a Catering Charge of \$80.00 per couple. Dancing to a live band, an excellent menu and your presence promise to make this a great evening. A 'sign-up' sheet will be at the mess, or you can contact us at 666-4370.

Cribbage Night

In cribbage, not unlike the Military, the players keep score with a narrow board into which movable pegs fit. Our Cribbage night continues on Tuesday, the 29th of January at 1900 hrs.

Thursday Evenings

All Regular and Associate Members are invited to use the mess on Thursday evenings commencing at 2000 hrs. Also, if you wish to host a dinner, party or a meeting, please contact our Mess Secretary or Catering Staff.
